5-State Breeders Barrel Futurity Rules

\$30,000 added – saddle to the 1D and 2D Futurity Champions

1. All decisions made by the 5-State Breeders Futurity are final – we reserve the right to refuse entry to any horse or individual. No discrimination will be tolerated.
2. The Futurity is open to horses that are four and five years old. Horses may not have reached the age of six by the time of the Futurity. Horses must be registered and must be sired by: a 2026 5-State Stallion or a Stallion previously paid in to the 5-State in the year the horse was born.
3. To be eligible for the Futurity, the horse must NEVER have competed in ANY barrel race, including AQHA shows, playdays, novice horse events, derbies, rodeos, etc. prior to November 15th, 2025. To do so means forfeit of any and all fees paid and elimination from the futurity. Horses may have competed anywhere after November 15th, 2025. Horses may have been entered in other events.
4. All riders must be designated on or before July 1st, 2026. After that date, a change of rider form must be filled out and submitted along with a \$20 fee. No rider changes will be allowed following check-in. Should a nominated horse be sold during the course of the payment period, written authorization must be received from the original owner before horse can continue to be paid on. If no authorization is received, horse will be required to re-nominate from the beginning. Unless a professional release is received or there is obvious injury, horses must be ridden by the same rider throughout the futurity.
5. Horses must be checked in prior to running.
6. There will be two go-rounds and a finals in the 5-State Breeders Barrel Futurity. Total times of the two go-rounds will determine the horses that qualify for the finals. The total time of the two go-rounds plus the final time will determine the Championship Standings and winner of the saddle. Should a tie occur for the winner, the saddle will be awarded to the contestant with the fastest go-round time of the three runs.
7. A 2D Format will be used. No less than 75% of the total purse will be paid out in the 1D with the remainder being paid out in the 2D and 3D. The 2D will be a 1 second split in each go-round and 2 second split for the average. Should a tie occur for the 2D average winner, the saddle will be awarded to the contestant with the fastest go-round time of the two runs. 30% of the total 2D purse will be paid out in each round and 40% in the average. The 3D will be a 1.5 second split in each go-round and 3 second split for the average. Should a tie occur for the 3D average winner, the award will be awarded to the contestant with the fastest go-round time of the two runs. 30% of the total 3D purse will be paid out in each round and 40% in the average.
8. The number of horses going to the finals will be 20% of those entered, or at least 12 horses with a maximum of 15 horses.
9. Substitutions are allowed only due to illness, injury, or death of the nominated horse. A veterinarian's affidavit of proof MUST accompany substitutions along with a \$20.00 fee. The necessary papers on the horse must accompany the fee. Any substituted horse will be ridden by the originally nominated rider or owned by the original owner. No exceptions. All substitutions must be completed before the close of check-in.
10. Buyouts will be taken ONLY on horses paid in full and can only be done between June 17th and 5pm July 6th, 2026. Buyout Form (via jotform) and \$100 buyout fee must be submitted to LI Productions by 5pm July 6th, 2026. Entry fees are to be exchanged between the two parties and are not the responsibility of the 5-State Office.
11. NOMINATION FEES:
\$175.00 due May 15th. \$175.00 due June 17th. \$350.00 TOTAL NOMINATION FEES
12. Late nominations/sustaining payments MUST BE PAID BY June 17th, 2026.
LATE NOMINATIONS/PAYMENTS ARE \$30 per payment.
13. REFUNDS will only be considered due to the death of the nominated horse.
14. A photocopy of the front and back of the registration papers of horses must accompany the nomination.
15. It is recommended that you have all paperwork required to travel across or to South Dakota (health certificate, Coggins, and brand inspections). All horses stalling on the Central States Fairgrounds must have a current health - they will check it when you stall. All horses staying on the grounds overnight must be stalled in the designated stall barns. **No overnight pens.**
16. There will be an administration charge of \$75.00 of the total entry fee per horse including the arena fee. The balance will be added to the purse. The division of the purse will be:
25% to the First Go-Round
25% to the Second Go-Round
25% to the Short Go
25% to the Championship Standings
17. Insufficient fund checks received will automatically require that payment be made with cashier's check or money order for the balance of the payment schedule. Those payments made with ISF checks will be assessed a \$20 fee in addition to any late fees.
18. Checks will not be issued without a current W9 on file. W9 must be on file by December 31, 2026 or winnings will be forfeited.
